## MEETINGS

- **General Meetings** are held the **FIRST TUESDAY** of every **even** month.
- Next **General Meeting** 7<sup>th</sup> October at 7.30 pm, Amenities Building, Canine Complex Erskine Park. The Club welcomes ALL members and their guests.
- **Committee Meetings** are held alternate months.

News, views & opinions expressed in this newsletter are those of the correspondents and not those necessarily of those of the club, it's committee and publicity officer.

# President's Report

Welcome to the latest issue of Bordertales and **Welcome Back** to our committee members who have again stepped up to accept nominations for the various club positions for the coming year. Whilst it would have been great to see some new faces, I am delighted to again have the support of this talented, dedicated group of people for another year - thank you for the honour of continuing as your president for another year and I look forward to working with you in the months ahead. AGM reports from the executive are included later in this newsletter and will highlight the activities of what has been a very busy but successful year for our club. Thank you and well done to all concerned!

The next big event on the calendar for our club is the show/trial in early October - no doubt we will be looking for helpers prior to and during the day, so please provide whatever assistance you can to ensure that the day is a successful one for everyone.

We will be providing another DNA collection service at this show, so if you wish to have DNA collected and sent off for CL, CEA or TNS testing, then please avail yourself of this service. We have been offered discounted rates from both providers. Full details are provided elsewhere in this newsletter.

Our first herding trials for the year were held at Erskine Park in late August - congratulations to Ann Moy, Alice Baxter, Colleen Finch and other committee members who worked hard to ensure that the weekend was a great success. A full report will be featured in the newsletter.

Congratulations to club member, Sharon Hannigan, on attaining her Endurance Test judges licence in August - well done!

Good luck to any members heading off for the interstate Royals and champ shows being held during September.

Until next month

***Lauren Somers***

### OC Glenloy Bonnie Baillie UD ADX JDX ADO GD

Sire: Aust Ch Maghera Followthat Rhythm / Dam: Glenloy Hell Ofa Storm  
Owned by Judy and Darryl Turley / Bred by Mr J L & Mrs S A & Mrs R Tapp

This year Baillie has achieved several titles, the most outstanding being his Obedience Champion title. He was the highest scoring Border Collie in the Obedience dog section at the Sydney Royal Show this year.

In Agility, Baillie has recently gained his ADX (Agility Dog Excellent), ADO (Agility Dog Open) and GD (Novice Gamblers) titles and has reached the finals of the Jumping Dog of the Year event.

Baillie is an extremely enthusiastic, willing worker and has achieved many successes in both Obedience and Agility trialling. He also competes in Dances with Dogs, where occasionally he throws in a few of his own moves much to the delight of the audience and surprise of his handler. Many thanks to Roslyn Tapp for making it possible for me to train such a great dog.

# AGM REPORTS

## BORDER COLLIE CLUB OF NSW INC

### 2008 ANNUAL GENERAL MEETING

#### PRESIDENTS REPORT

---

As the club's reporting year comes to a close, I would like firstly to offer my thanks to the members of our committee and sub-committees for the time and effort they have donated to the club during the past twelve months. Their dedication to the club and to our breed is acknowledged and appreciated.

I am a little disappointed again this year that more members have not involved themselves with the administration activities of our club – the result being that many responsibilities fall to the shoulders of a few when they could so easily be shared. On the plus side however, I am delighted to see that last year's committee have again stood for positions this year – the result of this being that the club will continue to be served by a unified, hard working group of people who manage to get things done in a very efficient and pleasant manner. Thank you for your ongoing support – you make my job as President a very easy one!

Our club has over the years established a reputation of being pro-active in many canine related areas and the following activities undertaken during the past year have ensured this reputation will continue:

- Provision of financial support to ensure the Border Collie Rescue service remains active
- Donation of funds to our sister club to assist in hosting the next Border Collie National show/trial event in Canberra in 2009
- Donation of funds to the Battens Disease Foundation to assist in ongoing research into this disease in children
- Donation of "Can I Pat That Dog" books to 20 primary schools in western Sydney to help children learn to interact with dogs in a positive and safe manner
- Presentation for trainee judges in the Dogs NSW Judges training scheme and provision of dogs to assist in their field nights
- DNA collection clinic to assist members in having DNA samples submitted for testing
- Participation in National Breed Council activities and other ANKC meetings during the year
- Provision of herding training and hosting herding trials
- Hosting two club shows/trials providing members with the opportunity to compete in conformation, obedience, agility and jumping competitions
- Conducting a Tracking Trial
- Maintenance of a website which provides Border Collie related information to club members and the general public
- Production of a regular newsletter to keep members informed on all club and breed related matters

I have enjoyed this past term as club President and if re-elected for the 2008-09 year will endeavour to ensure that the club remains active in a variety of areas and continues to serve the needs of its members and promote responsible breeding, training and ownership of our wonderful breed.

Thankyou  
Lauren Somers  
President

# NSW Border Collie Club Secretary Report 2008

The NSWBCC Inc in the 2007/2008 year had a total membership of 199 members. Our renewals as of the 8/9/08 are 131.

The club has many different workers who give their time year by year. Faithfully each year these workers turn up at various different events that the club partakes in. These diligent workers give rise to the club's tracking, obedience, herding & agility trials. They also run our breed shows and our promotional days and ensure that they work efficiently and productively. Whilst others help out Border Collies who have fallen on bad times through the BC Rescue, or arrange DNA testing days for members, each and every little bit of help is greatly needed and appreciated.

To the outgoing committee thank you for your support and friendship over the past year. It has truly been a pleasure to work with this group of people over the last year. Each and every one of these people has put in dedicated hours to the NSW Border Collie Club. Our President, Lauren is such an inspiration to work with. She is a strong leader, and an excellent organizer, she also is extremely diplomatic and has a great sense of humour. Not to be outdone, our Treasurer is dedicated and has reports on hand at all times. This extends to each of the other committee people in their various positions.

Our incoming committee for the next year has all re stood for their various positions. The Club is in excellent hands, and I look forward to working once again with the incoming committee over the 2008/2009 year.

Regards  
Ann Moy  
Secretary  
NSWBCC Inc  
2007/2008

## Annual Treasurers Report

The 2007/08 period has proved to be a successful year for the club from a financial basis. Over the 12 months the club made a profit of almost \$1,300. The most significant items during the year were:-

- The club membership income increased from \$3,663.85 in 2006/07 to \$4,740.00 in the previous 12 months. This came from a membership drive which the club undertook at the start of last financial year and reverses a trend from a number of the previous years where membership income was falling. Hopefully we will be able to keep all of these members for the upcoming year.
- Newsletter costs down from \$4,036.18 in the 2006/07 year to \$2,285.48. This was the biggest impact on the clubs balance sheet with over 100 members taking the opportunity to receive the clubs newsletter via email instead by post.
- General postage costs for the 2007/08 year where up from \$130.15 to \$460.41 due to the additional postage and stationery that was used when letters where sent to people trying to attract new members. This additional cost was offset by the additional income generated by the additional members.

The strong financial position of the club allowed the club to support a number of outside community organisations such as the Battens Disease Foundation and also the NSW Border Collie rescue. It also meant that the club could offer special cash prizes for our members at our March show and we will continue to do this for the same show next year.

I thank all members and fellow executive members for their support during the previous year and I would like to encourage other club members to consider helping out with a committee position or a show/trial managers' position in the upcoming 12 months.

# TROPHY DONATIONS

We are now seeking trophy donations for the club's upcoming Show & Trials. If you haven't sponsored a class/award previously, then please think about doing so, unfortunately sponsorship falls to the same people each time and it would be nice to have some new kennels/exhibitors on board. The following amounts apply:

Best in Show:	\$50.00
Runner Up Best in Show:	\$35.00
Winner of Winners:	\$35.00
Challenges:	\$20.00
Reserve Challenges:	\$15.00
Class in Show:	\$25.00
Opposite Class in Show:	\$15.00
Obedience/Agility/Jumping Winners:	\$15.00

All donations and sponsors will be recognised in the official catalogue. Please email Brett Farrell at [brett@benshiva.com](mailto:brett@benshiva.com) if you can assist.

## DNA CLINIC

The Border Collie Club of NSW Inc will be hosting another DNA collection day at our next show/trial to be held at Castle Hill on October 11th. Discounted prices available for the show collection day are:

TNS testing \$77 per dog, CL testing \$44 per dog. Collection for these UNI of NSW tests will be blood not buccal swab - pinprick only for one drop (usually taken from the inner ear area)

CEA - \$186 Adult and \$126 Puppy

DNA Profile \$50

DNA Profile completed with any disease testing \$35

CL (via swab not blood) \$52.50

Dogs must be microchipped and you must bring your registration papers along. DNA swabs will be taken as required for TNS, CEA and CL.

If further information is required, please do not hesitate to contact the following Committee members:

## **BATTEN DISEASE SUPPORT & RESEARCH ASSOCIATION**

As you will be aware, the club has in the past made donations to support this association with ongoing research into this disease (the human equivalent of Ceriod Lipofuscinosis in our Borders). The association sends the club a regular newsletter keeping us updated on various fund and awareness raising activities.

For any club members who may be interested in making private donations to the association, payment options and details are shown below:

**Direct Deposit:**

BSB: 062-195 Account: 10030943 Bank: CBA, Lindfield Account Name: Aust Chapter of BDSRA  
(if a receipt is required, please email deposit details to [gvcando@ozemail.com.au](mailto:gvcando@ozemail.com.au))

**Credit Card Payments:**

Follow the link at [www.battens.org.au](http://www.battens.org.au) to make a credit card payment

**Cheque Payments:**

Made payable to BDSRA and sent to: 9 Norton Avenue, Killarney Vale, NSW 2261

We have advised the Association that we would include details in our newsletter and they were very pleased and would welcome any donations members would like to make.

## **COMMUNITY SERVICE PROJECT**

The club has recently undertaken, as a community project, to provide twenty primary schools in western Sydney with two copies each of a delightful picture book which we hope will help children learn to interact with dogs in a positive and safe manner. The book "Can I Pat That Dog", is written, researched and illustrated by Australians, Susan McLaine, Karen Damiani and Margaret Power.

Thanks to the help of committee members, Julia Lawrie and Ann Lenehan, we were able to source the books at a discounted price. A sticker label confirming the donation by our club and providing our web address was placed on the inside cover.

For those not familiar with this book, a brief description follows:

*Dogs are often called 'man's best friend' but, just like people, most dogs are not happy all the time. All sorts of dogs may growl, bark or sometimes bite when they are angry or frightened. With the aid of this book, parents and teachers can help children understand how to interpret a dog's body language and increase children's awareness for personal safety around dogs.*

**About the authors:**

Susan McLaine is an education officer at Dromkeen Children's Literature Centre in Victoria. Karen Damiani is a qualified dog trainer and lectures on dog behaviour and training throughout Australia.

Margaret Power has illustrated over 50 books and is one of Australia's most respected childrens book illustrators.

# Herding ...

The NSW Border Collie Club held the first herding trials of the year for 2008 on the weekend of the 30th and 31st August. The weekend was a great success and congratulations must go to the High In trial and Reserve High in trial, Mr C Webster on Saturday, and on the Sunday High in Trial K Edwards and Reserve High in Trial C Webster. The Border Collies naturally excel and are predominant in the herding competitions and it is a great sport to get involved in.

Results as follows as well as some remarks from competitors on the day.

Just like to thank the Border Collie Club of NSW for putting on a great trial over the weekend. It was great to see so many people still going with all the problems NSW have been having with sheep etc.

The weather was good Sat and although it rained all sat night it was a little damp on Sunday but thankfully the rain held off and no one got wet. The courses were great it was good to see the large A Course paddock which I feel is better for all breeds and the B Course was also great. I must admit I was a little worried before I went down what the sheep would be like but thankfully they were perfect. Made the started dogs actually work the sheep as they didn't automatically stick with the handler but did go to the handler if the dog was in the right place. They were easy to drive and didn't panic and bolt for a gate or pen once they were out in the open. Most dogs had some success saw some really good started dogs coming up and will do very well once the handlers get it together.

All in all a very successful and happy weekend had by all

Congratulations to Colin Webster and Karen Edwards for HIT and RHIT I think Colin got Both on Sat and Karen got HIT on Sun from Started and Colin RHIT from Intermediate great runs and lovely to see. Well done guys, see you in 2 weeks

Tracey  
Fidelis Border Collies

I too would like to say a big thank you to all the BCC of NSW people for putting on a fantastic trial. I have been looking forward to doing herding trials all year, especially with my young dogs, so it was great that herding trials have finally started again at EP. We had a really enjoyable weekend.

For those of you who are considering any form of trialling and haven't done ANKC herding, it really is a good way to start for both handler and novice dogs. It sets you and your dog up to succeed, unlike 3-sheep which is very hard for a young dog. I found my Sean, who works beautifully at home, found things a little overwhelming on Sunday in PT although he settled once he got the sheep under control.

I thoroughly enjoyed working the Started B course in the big field. The sheep were perfect. Well done

## BARBARA HENDERSON

22. 5. 1946 - 21. 5. 2008

A dear friend and a lovely caring lady who lost her battle with cancer, will always be remembered by all who crossed her path. Passionate about her Border Collies, Barbara gave freely her knowledge and help to all those who needed encouragement and advice. Along with Alan they established the Scaysbrook Border Collies with Rosie "Louisiana Briar Rose CD" breeding many top Obedience and Agility performers. Barbara and Alan were involved with Flyball, obedience and local all breeds Clubs for many years.

Sundays would see Barbara and her family at Newcastle All Breeds Training grounds, bright and early, greeting all as they arrived for their training session, making welcome new comers especially those with their Border Collies. Barbara's strength and determination was unfailing, fighting cancer for many months. She is deeply missed by so many, especially her beloved Borders.

Sincere condolences to Alan and her family.  
God Bless a special friend, in our thoughts forever, rest in peace.
