President's Report

Welcome to the latest issue of Bordertales. The coming weeks will see the club represented at a number of official events - Presidents & Secretaries Meeting in June, ANKC conference for National Breed Councils and then our own National Breed Council AGM which will be held in Melbourne this year. I would like to take this opportunity to thank committee members Ann Moy and Judy DeJong for their assistance and support in representing our club - these are important meetings - usually held on weekends and often involving travel - all of which means a sacrifice of time away from our normal home and work commitments.

Later in this newsletter you will see the first notice in respect of our own upcoming club AGM and the call for nominations for positions. A description of the work involved in the various roles within the club is also included. If you think you would like to offer your support via involvement in the management of your club, please nominate for a position! If you wish to discuss any aspect of these positions or would like more information, then don't hesitate to contact me or any of the other current committee members who will be only too happy to assist in any way.

As you know, the next club show in October will be our 60th and we have organised a great raffle to celebrate. The first prize will be a show trolley and the draw will be held at the show. Lynne Cook and other members will be selling tickets at various upcoming shows over the coming months or if you would like to purchase some tickets direct, please contact Lynne. If you would like to assist the club by selling tickets, then please let us know and we can arrange for a supply of tickets to be provided to you. Thanks to Brett Farrell for his assistance in organising this raffle prize! Our show format will also include a few 'extras' this year which we hope will be supported by our members, so please stay tuned for further updates!

Upcoming events for the club in May and June include our Herding Trial - Ducks and our Tracking Trial - full details will be included in the newsletter or you can contact Alice Baxter or Ann Moy for further details on these events. Good news on the herding front this month - sheep will soon be back on the grounds at Erskine Park and this will enable training to recommence and hopefully trials to be held later in the year.

In closing, I would like to offer my thanks to our Editor, Patrice and her partner in crime (and daughter!) Courtney Smith for doing such a great job with the newsletter - each issue is jammed full of news, photos and updates - great work guys!!

Until next month.....

Cheers
Lauren Somers
President

Judges Critique: Mrs N. Karlsdotter (Sweden)

BORDER COLLIES

"I am very happy that I had the opportunity to judge this breed as there are so many beautiful dogs and so very correct in many ways and there are so many great movers and doing it the correct way with the low head and long step and they look like they would be able to do it for a very long time. The winners are actually all males. It doesn't mean that the bitches are less good. The winner bitch was an excellent mover but could have been just a little bit longer on the legs. The winner males are absolutely beautiful and are moving correctly."

BORDER COLLIE CLUB OF NSW INC 59TH CHAMPIONSHIP SHOW & TRIAL

CORRECTION

I need to correct two results reported in last month's Bordertales and I want to apologise to those exhibitors for any inconvenience it might have caused.

Firstly, the Reserve Challenge Dog was actually CH NAHROF NO MORE MR ICE GUY (AI), the winner of the Intermediate Dog class, and not the second in the Open Class as reported.

Secondly, in the Obedience CCD class, the winner was actually Ebonjul Britany (K Neville), with Quinora Blue Sky Spirit JD (M & D Foord) being placed second.

Again, sorry for this error in last month's Bordertales.

The 2010 Sydney Royal Easter Show

Agility & Obedience Results

I want to take this opportunity to acknowledge the success of the Border Collies trialling at this year's Sydney Royal Easter Show. Again, our breed has 'done us proud' and congratulations must go to the owners, as we know that it takes a lot of time and effort to get a Border ready to compete at this level, let alone be placed.

Congratulations to all, both owners and dogs!!!

First Poster Competition

Sydney Easter Royal 2010

This year at the Sydney Easter Royal, the inaugural Dog Poster Competition was held, with the posters on display in the café. Barbara Ludowici judged the poster competition on the 31st March, with Luci Ellem as the steward.

Two Border Collie posters were awarded with sashes, with the one below right winning 2nd place but I don't know the class. The other poster below left, gained a sash in the Open Junior Class (aged 8 to under 13 years).

I wanted to acknowledge these budding artists, but I could find little information about the competition or who were the artists. If anyone can provide any information, I would love to let everyone know who these dogs are, and their artists.

2009 ANKC SURVEY RESULTS

Last year, the ANKC conducted a survey to ascertain the opinion of registered Border Collie owners, as to whether they considered Ceroid Lipofucinos, Trapped Neutrophil Syndrome and Collie Eye Anomaly to be problems in the breed. The Survey results were published in the March Bordertales.

The National Border Collie Council, on behalf of the member clubs requested information regarding the Border Collie survey results. The information requested was:

1. Total number of respondents to the survey.
2. An analysis of responses from each State
3. Analysis For and Against from the survey.

Below is the response to the NBCC query with the number of votes to the questions asked.

Meet Your Committee...

Lauren Somers – President

There has hardly been a time in my life that has not been shared with dogs! As a child I grew up around my dad's racing greyhounds and our family dog was always a Samoyed (my mum's favourite!). I had always 'planned' to own a German Shepherd but then fate stepped in when, in 1984, I purchased a male Border Collie pup from a friend's litter for my husband's birthday and the rest as they say.....

That pup was Marglo Telstar CD and his call name was 'Hannan' and any thought I had of ever owning another breed disappeared the moment he came into my life! Tragically he was killed in a road accident at just two years of age but a little bit of him lives on in every dog bred under our Nahrof prefix - which was created by the words "For Han" spelt in reverse.

In 1986 I obtained 'Brie' - Gotrah Celtic Brie CD TDX - from Peidje Vidler of Gotrah Kennels in Sydney and this over the top but very endearing BC was to later become one of the two foundation bitches of our kennel. The other was Ch Kantalpa Tuxn Tailz 'Bonnie' who I first met upon my return to Sydney in 1989. She was a family pet owned by Errol Badior and his wife Joy. I offered to show Bonnie to her show title for them (quite a call for a then novice newbie!) and that began a friendship and later a kennel partnership that has lasted for over two decades. The amazing journey we have enjoyed since then with our beloved Borders, their owners and our friends both in Australia and overseas far exceeds anything we could ever have imagined would come to pass all those years ago.

My involvement with the Border Collie Club of NSW also began a long time ago and over the years I have spent some time in almost every committee position available! This is my second 'stint' as President and the support provided by my current committee makes my job a pretty easy (and very enjoyable!) one!! I believe that our club has achieved many things over the years and I am delighted to have been able to play even a small part in the club's longevity and success.

Around the Traps... With Ed

Well it seems to have been a relatively quiet month this May. Perhaps this is a good omen, as I'm sure we all needed a well-earned break after the excitement and hustle of the Royal and Specialty show season.

There are several new Champions that I have heard about in passing, and I would like to acknowledge the dogs and their owners for achieving this important milestone:

- Majalibre White Cockatoo ET (Jenny Riley)
- Libertybrook Cold Chisel (Jennifer Bayliss)
- Nahrof Let The Inc Dry (Lauren Somers, Errol Badior & Michael Paul)
- Neecabe Heres Lookin AtU (Sharon Hannigan)

I trust that the above information is all correct, and congratulations to all connections. If anyone else has a title or win that they would like to share, please pass a note on to the Editor so that they can advise me!

Congratulations also to Shiralee Fossey's girl Vega, Ch Syryne Vega O Lyrae HSAs, who won Best In Show at the most recent Working Dog Club of NSW Championship Show under breed specialist Kim Gregory (NSW)!

At a recent country NSW show, there was some thought-provoking discussion about recent changes to ANKC litter registrations for Border Collies, as well as DNA testing and pedigrees, which brought forward some interesting questions. I'm sure there are many BC breeders and owners out there who are likewise trying to understand the proposed changes and how it may impact upon them. Rest assured the Club is aware of the dilemmas being faced by its members and at present is trying to put together some information for you all to help answer your questions - keep a look out in an upcoming *Bordertales*...
